Report on the Financial Statements

We have audited the accompanying financial statements of the Montgomery Arms Development Corporation (the Organization), a nonprofit organization and a component unit of the Housing Opportunities Commission of Montgomery County, Kensington, Maryland, as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Commissioners
Housing Opportunities Commission
of Montgomery County, Maryland

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of June 30, 2021 and 2020, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Change in Accounting Policy

As discussed in Note 2 to the financial statements, management has adopted Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers (Topic 606)*. Our opinion is not modified with respect to that matter.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information (selected line item detail and net cash flow computation) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 13, 2022, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

(A COMPONENT UNIT OF THE HOUSING OPPORTUNITIES COMMISSION
OF MONTGOMERY COUNTY, MARYLAND)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020**

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

The Montgomery Arms Development Corporation (the Organization) is a nonprofit organization that owns 132 units for residential rental operation. The 129 rented units as of June 30, 2021 and 2020 are divided into various rental groupings. (See Note 9, Commitments and Contingencies, for additional information.) The facility is located in Silver Spring, Maryland.

Edgewood Management Corporation has been contracted to manage the property.

Cash and Cash Equivalents

Cash and cash equivalents include all cash balances on deposit with financial institutions and highly liquid investments with a maturity of three months or less at the date of acquisition.

Restricted cash includes cash held with financial institutions for refunds of tenant security deposits, repairs, or improvements to the buildings which extend their useful lives, and annual mortgage insurance premium payments.

Reporting Entity

The financial information included in these statements reflects the activity of the Organization, a residential rental facility and component of the Housing Opportunities Commission of Montgomery County, Maryland (HOC). It is not intended to portray the financial condition of the HOC in its entirety.

Rental Property

Rental property and equipment are carried at cost. Buildings, which include building improvements, are depreciated over their estimated useful lives of 10 to 40 years using the straight-line method. Site improvements and furniture and equipment are depreciated over their estimated useful lives of 10 years using the straight-line method. Depreciation expense for the years ended June 30, 2021 and 2020, was \$342,443 and \$342,441, respectively.

Net Assets

Net Assets Without Donor Restrictions includes those net assets whose use is not restricted by donors, even though their use may be limited in other respects, such as by contract or by board designation.

Net Assets With Donor Restrictions includes those net assets subject to donor-imposed restrictions that will be satisfied by actions of the Organization, passage of time, or maintained permanently by the Organization.

Income Taxes

No provision or benefit for income taxes has been included in these financial statements because the Organization is a component unit of the HOC and is, therefore, exempt from income tax under Section 115 of the Internal Revenue Code.

MONTGOMERY ARMS DEVELOPMENT CORPORATION
(A COMPONENT UNIT OF THE HOUSING OPPORTUNITIES COMMISSION
OF MONTGOMERY COUNTY, MARYLAND)
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Revenue Recognition

Contributions and grants received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence and nature of any donor restrictions. Support that is not restricted by the donor is reported as an increase in net assets without donor restrictions. All other donor-restricted support is reported as an increase in net assets with donor restrictions. When a restriction expires (that is when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Rental income is recognized as rentals become due. Rental payments received in advance are deferred until earned. All leases between the Organization and tenants of the property are operating leases.

A portion of the Organization's revenue is the product of cost reimbursement government grants to cover housing subsidies for eligible low-income residents. Therefore, the Organization recognizes revenue under these grants in the amounts of costs and expenses at the time they are incurred. Amounts received prior to incurring qualifying expenditures are reported as deferred revenues in the Statement of Financial Position. As of June 30, 2021, the Organization does not have any conditional grants that have not been recognized as revenue in the Statement of Activities because conditions have not been met.

Tenant Receivables

Tenant receivables are recorded at estimated net realizable value. The allowance for uncollectible accounts is equal to the amount of receivables greater than 90 days outstanding. Receivables are charged off against the allowance when they are determined to be no longer collectible by management. As of June 30, 2021 and 2020, the allowance for uncollectible accounts was \$3,279 and \$132, respectively.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Management and general expenses include those expenses that are not directly identifiable with any other specific function but provide the overall support and direction of the Organization. Most costs are allocated as direct costs in the operation of specific programs. Each program has allowable expenses as defined by the program budgets and funding invoices. The indirect costs support the overall management of the organization.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2021 AND 2020

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Adoption of New Accounting Standards

In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*. Subsequent to May 2014, the FASB issued six ASU's to clarify certain matters related to Topic 606. Topic 606 supersedes the revenue recognition requirements in FASB ASC 605 *Revenue Recognition*, and requires the recognition of revenue when promised goods or services are transferred to customers in an amount that reflects the consideration to which an entity expects to be entitled in exchange for those goods and services. The updates address the complexity of revenue recognition and provide sufficient information to enable financial statement users to understand the nature, amount, timing and uncertainty of revenue and cash flows arising from contracts with customers. No cumulative-effect adjustment to net assets was recorded because the adoption did not impact the Organization's reported historical revenue. The Organization's main revenue stream is not within the scope of Topic 606.

NOTE 2 RELATED PARTY TRANSACTIONS

As of June 30, 2021 and 2020, amounts advanced to and receivable from the HOC amounted to \$827,136 and \$833,566, respectively.

The HOC is part of the Montgomery County Self-Insurance Program, which provides funds for potential losses through self-funding mechanisms and commercial insurance policies. Under Subsection (d) of Section 20-37 of the Maryland Code, Montgomery County, Maryland has been authorized to enter into agreements with various county agencies to establish and administer a self-insurance program.

The HOC provided \$10,400,000 of financing through the issuance of multi-family housing development bonds. (See Note 4 for more detail.)

The HOC made a \$1,600,000 loan secured by a third deed of trust security agreement and assignment of rents to the Organization for a period of 15 years with a 5% interest rate. (See Note 6 for more detail.)

The HOC has charged the Organization a development fee of \$334,491 and \$330,370 for the years ended June 30, 2021 and 2020, respectively, which are included in other expenses.

The HOC receives a monitoring fee of 0.25% of the original principal balance of the loan for services in administering compliance with occupancy requirements. The monitoring fee is included in the interest percentage and shown on the financial statements as interest expense.

The HOC charges an asset management fee for the services for administering the assets. The costs of these services were \$138,020 and \$138,110 for the years ended June 30, 2021 and 2020, respectively, and are included in other expenses.

**INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Commissioners
Housing Opportunities Commission
of Montgomery County, Maryland
Kensington, Maryland

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Montgomery Arms Development Corporation (the Organization), a component unit of the Housing Opportunities Commission of Montgomery County, Maryland, Kensington, Maryland, as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Organization's basic financial statements, and have issued our report thereon dated January 13, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies in internal control such that there is a reasonable possibility that a material misstatement of the Organization's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
